The Christian Legal Fellowship hosts annual student conferences to encourage, edify, and assist law students as they seek to integrate their faith with their profession. Every year, a CLF Student Chapter undertakes to plan the National CLF Law Student Conference and this year is no exception! The Christian law students at the University of Ottawa have volunteered their time and energy to ensure a successful 2010 Student Conference.

The 2010 Student Conference will be held from February 19th to 21st in our nation's capital. Ottawa, especially in the middle of winter, is a beautiful city to visit and anyone attending the Student Conference will have plenty of opportunities to explore its charm. Some of the activities that are being planned include a visit to Parliament Hill, a tour of the Supreme Court of Canada, and participation in the Winterlude Festivals, i.e. ice sculptures, beaver tails, and skating on the world famous Rideau Canal.

In addition to discovering Ottawa, there will be challenging and inspiring speakers. The theme for the Conference is "Divine Perspective: Set Your Mind on Things Above" (Colossians 3:2). The speakers will share their insights about God's direction in their careers and God's view on different areas of law; they will also discuss the intricacies of the Christian worldview and the means to living a well-balanced lifestyle. We are blessed to have talented and knowledgeable speakers, among them are Dr. John Patrick, keynote banquet speaker, as well as Don Hutchinson, Faytene Kryskow, Jean Rhéaume and MP's John McKay and Maurice Vellacott.

Even though the Student Conference is generally geared towards law students, the planning committee expects that lawyers, educators, administration staff, and friends will also find the event enjoyable. Not only will the Conference provide an opportunity to visit Ottawa and deepen one's Christian faith, but it will also afford legal professionals with the venue to network and fellowship with upcoming Christian lawyers. Overall the 2010 Student Conference, although planned by and for students, is an event for all interested groups. It promises to be an exciting weekend!

We hope to see you there!
