Section VI: CLF Student Sponsorship Policy

Christian Legal Fellowship recognizes students are the future of CLF and wishes to encourage them to participate in the CLF community by making conferences more accessible, particularly for those whose financial circumstances prevent them from attending. However, CLF also encourages students who wish to take advantage of this opportunity to consider giving back to CLF's ministry and to others who would benefit from the Lord's work (Luke 12:48; Luke 6:38; 2 Cor. 9:6).

Priority will be given to the following:

- Applicants who are in active service to a CLF Student Campus Chapter that has Club Affiliation with CLF National;
- Applicants who have demonstrated faithfulness, leadership and commitment with the gifts and talents the Lord has given them;
- First-time applicants; or repeat applicants who have invested in ministry with CLF as a result of their previous sponsorship. (CLF may limit or decline sponsorship to a repeat applicant.)

Prerequisites to applying for a Student Sponsorship:

- You must be a member of CLF (National);
- You must be registered for the conference.

Applications will be processed on a first come, first served basis. The first round of applicants is usually decided approximately six-seven weeks prior to the event; the second round approximately three-four weeks prior to the event. Sponsorships will be at the sole discretion of CLF and will be considered as space and resources permit.
